

3rd January 2024

To all NBS Technologies partners

Subject: NBS Technologies products End of Life (EOL) announcement

Dear Partner,

Following the acquisition of NBS Technologies by Matica Group announced in May 2022, a review has been undertaken of the NBS Technologies product line.

This document hereby serves as formal End of Life (EOL) notification of the following **NBS Technologies products**, effective immediately. The End-of-Life decision was made as part of Matica's on-going product lifecycle management process, please see the table below for the equivalent alternative product from Matica Group's comprehensive portfolio.

| | |
|------------------------|--|
| Advantage M8 | Matica S3300e or Matica S3610 |
| Advantage M20 | Matica S3300e or Matica S3610 |
| ImageMaster D40 | Matica S5200G |
| ImageMaster E40 | Matica S5200G |
| ImageMaster S18 | Matica S5200G |
| Javelin FLX | No alternative offered |
| Javelin J800i | Matica XID8300 or Matica XID-M300 |
| Javelin J1000i | Matica MC660 , Matica XID8600 or Matica XID-M600 |
| LC400 Gen II | Matica LCP9660 or Matica S4200LX |

Products on EOL are considered discontinued and therefore not on active sale at the announcement date of discontinuation.

As part of our End-of-Life process, Matica Group will endeavor that, as far as possible, spare parts and consumables will be available for a limited period.

Our regional teams remain at your disposal for any enquiry, please feel free to ask for our support.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'David Worsdell'.
